

No More Copycats: Brand Protection in the Digital Space

Expanding your business can be challenging, especially online. Your brand is perhaps your most business valuable asset – yet, it is highly vulnerable to brand abuse. With trade mark copycats, product counterfeits, and even social media impersonations on the rise, companies looking to invest in e-commerce and explore online marketplaces need to be alert. Brand abuse can easily create negative customer experiences – and eat into your business' profits.

In this course, you will learn to identify brand abuse, develop a holistic brand protection strategy aligned with your business goals, and implement action plans effectively to maximise returns.

Through this course, you will learn to:

- ✓ Identify brand abuse activities that cause revenue loss and/or damage to your brand
- ✓ Strategise brand protection initiatives
- ✓ Implement holistic and proactive brand protection strategies that prevent and mitigate brand abuse activities effectively
- ✓ Evaluate key considerations for external brand protection services and internal brand protection strategies
